FINANCING OF THE UNITED NATIONS SUPPORT MISSION IN HAITI

Draft resolution submitted by the Chairman following informal consultations

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Support Mission in Haiti,[1] the related report of the Advisory Committee on Administrative and Budgetary Questions[2] and the reports of the Board of Auditors[3] and the Office of Internal Oversight Services,[4]

Recalling Security Council resolution 1063 (1996) of 28 June 1996, by which the Council established the United Nations Support Mission in Haiti, and the subsequent resolutions by which the Council extended the mandate of the Support Mission, the most recent of which was resolution 1086 (1996) of 5 December 1996,

Recalling also its resolution 51/15 of 4 November 1996 on the financing of the Support Mission and its subsequent decision thereon, which was decision 51/459 of 18 December 1996,

Reaffirming that the costs of the Support Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

[3] Official Records of the General Assembly, Fifty-first Session, Supplement No. 5 (A/51/5), vol. II.

[4] A/51/432, annex.

Recalling its previous decision regarding the fact that, in order to meet the expenditures caused by the Support Mission, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the Support Mission by certain Governments,

Noting that the assessed contributions to the special account to be established for the Support Mission will cover only direct and indirect costs associated with the six hundred contingent personnel and three hundred civilian police authorized by the Security Council in its resolution 1086 (1996),

Mindful of the fact that it is essential to provide the Support Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. Takes note of the status of contributions to the United Nations Support Mission in Haiti as at _____ 1997, including the contributions outstanding in the amount of _____ United States dollars, representing ____ per cent of the total assessed contributions from the inception of the Support Mission to the period ending 31 May 1997, notes that some _____ per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure the payment of their outstanding assessed contributions;

2. Expresses concern about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursement of troop-contributors, which bear burdens owing to overdue payments by Member States of their assessments;

3. Expresses its appreciation to those Member States which have paid their assessed contributions in full;

4. Urges all other Member States to make every possible effort to ensure payment of their assessed contributions to the Support Mission promptly and in full;

5. Endorses the observations and recommendations contained in the reports of the Advisory Committee on Administrative and Budgetary Questions,[2] the Board of Auditors[3] and the Office of Internal Oversight Services;[4]

6. Approves, on an exceptional basis, the special arrangements for the Support Mission with regard to the application of article IV of the Financial Regulations of the United Nations, whereby appropriations required in respect of obligations owed to Governments providing contingents and/or logistic support to the Support Mission shall be retained beyond the period stipulated under financial regulations 4.3 and 4.4, as set out in the annex to the present resolution;

7. Requests the Secretary-General to take all necessary action to ensure that the Support Mission is administered with a maximum of efficiency and economy;

[8. Decides to appropriate the amount of _____ dollars gross (_____ dollars net) for the maintenance of the Support Mission for the period from 1 July 1997 to 15 March 1998, inclusive of the amount of _____ dollars for the support account for peacekeeping operations and the amount of _____ dollars for the United Nations Logistics Base, to be apportioned among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991, 47/218 A of 23 December 1992, 49/249 A of 20 July 1995, 49/249 B of 14 September 1995, 50/224 of 11 April 1996 and 51/218 A and B of 18 December 1996 and its decisions 48/472 A of 23 December 1993 and 50/451 B of 23 December 1995, and taking into account the scale of assessments for the years 1997 and 1998, as set out in its resolution 49/19 B of 23 December 1994, its decision 50/471 A of 23 December 1995 and its [resolution or decision to be adopted on assessment scale for 1998], subject to the decision of the Security Council to extend the mandate of the Support Mission beyond 31 May 1997;]

9. Decides also that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 8 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 612,600 dollars approved for the Support Mission for the period from 1 July 1997 to 15 March 1998;

10. Invites voluntary contributions to the Support Mission in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure and practices established by the General Assembly;

11. Decides to include in the provisional agenda of its fifty-second session the item entitled "Financing of the United Nations Support Mission in Haiti".
